Friends and our loyal Shoot-Out supporters, we want to thank you. Thanks to your wonderful support of The Shoot-Out, the funds we raised are still being used right now as you read this, to help our local PA heroes. There are some very special families who have given and sacrificed so much for us, and right now, more than ever, they continue to need our assistance. The Pennsylvania Wounded Warriors Inc. is being proactive, reaching out to those special PA veteran families to ensure immediate financial help is available. The PAWW Inc.'s unique approach to helping these families is leading the way not just in our state of Pennsylvania, but they are currently sharing their vision on a national level. PAWW Inc. is leading the charge and other state Wounded Warrior organizations are taking note and starting to follow their lead. Friends, we are such a vital part of this mission as we are the top fundraising event in Pennsylvania for the PAWW Inc. *Remember, one of the most amazing things about PAWW Inc. is there is NOT a single person taking a salary (and that's unheard of in today's world).* These volunteers are literally working around the clock, answering calls on their personal cell phones to ensure every Pennsylvania veteran has what they need.

Raffle tickets are on sale now and we are collecting donations for this most worthy group of heroes. 2022 marks the 8th year we at The Shoot-Out have been able to help PA veterans, and thanks to our loyal supporters, have raised over \$270,000 to date! Help us continue our efforts by donating today! Thank you for your continued support of The Shoot-Out and the Pennsylvania Wounded Warriors Inc.
